Dear Gerard and Fellow Walkers

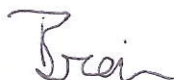

It gives me great pleasure to write to you again to thank you for supporting Marie Curie Cancer Care's Research Institute. This letter acknowledges the £3271:06p which you have donated to us through your annual walk. Can I say a huge thank you, on behalf of everyone involved with Marie Curie Cancer Care, especially at the Research Institute? If you would like to visit and see for yourself how your donation is used, don't hesitate to contact me.

I understand that this year you enjoyed a different walking challenge and were also given the choice of two walks. Whichever one you took part in it has helped our world class scientist continue to work hard to discover a cure for this terrible disease. By taking part in this challenge you have provided resources for the Research Institute.

Such a short letter seems inadequate when thanking you for such a fantastic donation. We are incredibly grateful and I do hope you continue to support us.

Thank you again.

Yours sincerely

Dear Gerard

I write both personally and on behalf of Macmillan Cancer Support to acknowledge receipt of the sum of £2,565.06 here at the Wakefield Office as a result of your annual sponsored walking event which took place last Summer. I understand also that a further £706.00 was sent to our UK office as one of the participants; Mr Richard Ellis, managed to have his sponsorship match funded by HBOS.

As I am sure you are aware, this money will make a real difference to people affected by cancer and with 739 people receiving a diagnosis each and every day in the UK alone, your efforts really are appreciated, indeed Macmillan Cancer Support could not function without people like yourself and your team mates raising such funds.

More than a million people in the UK today have had a cancer diagnosis, and more than one in three people will be diagnosed with cancer during their lifetime. Macmillan provides the practical, emotional, financial and of course physical support which will change their lives.

Once again, thank you for your continued support of this very worthy cause and I look forward to hearing from you again in the near future. Please get in touch should you require any help or assistance with your next event, including any promotional materials which may be of use to you.

Yours truly,

Maria Amos

Dear Mr Mitchell

I am writing to acknowledge your donation of £1,090.36 from the Dave Owens & Frank Goodall Memorial Fund, in respect of your recent 22 and 8 mile sponsored walks in Derbyshire, and to express grateful thanks on behalf of the Chairman and Trustees of the Oesophageal Patients Association for this tremendous gift and for your continuing support.

Since 1985, the Oesophageal Patients Association has provided nationwide support for people who have cancer (or other major illnesses) of the oesophagus and their families and carers. It is the only organisation of its type in the country.

The Association, a registered charity, relies entirely upon grants, donations and other fundraising activity generated in the communities that we serve in order to be able to continue to provide support for people who have this difficult disease.

Once again, our heartfelt thanks go to you for making this further generous donation to the Association this year; your ongoing support for our work is greatly appreciated.

Kind regards

Yours sincerely

Dear Lorraine

Our grateful thanks go to Thomas & Betts for the tremendous donation of £100.00 that we received this morning from your charitable funds. It was very kind of you to think of the OPA at this time and your support for our work is greatly appreciated.

Since 1985 the Association has been providing nationwide support for people who have oesophageal cancer and their families and carers. Our work has only been possible with funding generously provided by the communities that we serve.

Thank you once again for this gift; it will be used wisely.

Kind regards
