Dear Gerard

Yet again it gives me great pleasure to thank you and everyone who supported this year's Chatsworth Challenge, for your continued support. Please find a receipt for £4524.47p attached for the Dave Owens and Frank Goodall Memorial Fund. As you know your efforts help support our Research Centre and I can assure you that this will make a huge difference to the work our scientists are carrying out.

This event has been an undoubted success and to have raised almost £90,000 over the last 6 years is a huge achievement and a positive memorial for Dave and Frank. I do hope that everyone who supports your events feels a sense of pride and achievement.

I am sure that everyone who took part had to meet many challenges whether it be doing the actual walk or raising sponsorship. Whatever the challenge they are helping many people who are facing their own very personal challenges by battling against cancer.

Thank you again for your support.

Yours sincerely

Dear Gerard,

Thank you so much for supporting Marie Curie Cancer Care's work with the recent donation of £4524.47, following the Chatsworth Challenge that took place earlier this year. Please accept this letter as your official receipt.

Every evening 280 people throughout the UK will open their front door to a Marie Curie Nurse who has come to help them at the time they need it most and hundreds more patients are cared for in one of our ten hospices. Our care enables cancer patients to stay in surroundings of their choice as their illness progresses

Family members often write to our nurses to thank them for their help, the extract below was taken from one of these letters:

It is very hard to put into words the feelings of gratitude we have for your help in the last days of Dad's life. Your gentleness in caring for his needs and the kindness and consideration shown to us was much appreciated. It is very hard to part with a loved one but your calm and loving influence helped to ease our distress. 'Thank you' seems so inadequate but please know that you are in our thoughts.

This year alone Marie Curie Cancer Care will provide for more than 15,000 people. However the demands for our services increase each year and for every family we help, there is another that we can't. Every hour of a nurse's time costs the charity £20, so you can see just how valuable your support is.

Thank you once again for supporting our work so generously.

Kind Regards

OPuestwood
