Dear Sirs,

Thank you so much for supporting Marie Curie Cancer Care by holding The Dave Owens & Frank Goodall Memorial Fund annual challenge walk and raising a grand total of £3,580. I do hope that you enjoyed being part of the Marie Curie team and had a good time in the process.

This year alone Marie Curie Cancer Care will provide care for more than 25,000 people with cancer in the UK. However the demand for our services increases each year and for every family we help, there is another that we can't. Every hour of a nurse's time costs the charity £20, so you can see just how valuable your support is in enabling us to help even more people with cancer and their families.

Once again, thank you so much for supporting Marie Curie Cancer Care.

Yours sincerely,

Philippa Gosper,

Dear Mr Mitchell

Thank you very much for your kind donation of £3580.00 raised from your annual challenge walk. Please pass on our thanks to all involved. This valuable donation will enable us to continue to provide expert information and support for people affected by cancer.

According to new research there are now 2 million people across the UK living with cancer. We rely on donations from people like you to reach this growing number of patients, their carers, families and community networks who need our help. Many people have heard of our Macmillan nurses but we also fund other Macmillan professionals like occupational therapists, physiotherapists, dieticians, benefit advisers and social workers. We work alongside people affected by cancer to campaign and lobby for improvements to cancer care and patients' rights so that some days it's not all about cancer - it's about life.

We are currently looking to recruit volunteers both in the office and out in the region. If you are able to give an hour or a day a week of your time please ring us on the number above or email [westyorksinfo@macmillan.org.uk](mailto:westyorksinfo@macmillan.org.uk) with your details.

Thank you once again for your generosity and confidence in our work.

Kind regards,
