Dear Gerard,

On behalf of Cancer Research UK I would like to thank you for your very kind donation of £3,168.21 raised from your sponsored walk around the grounds of the Chatsworth estate in Derbyshire in conjunction with the Dave Owens & Frank Goodall Memorial Fund. I would be most grateful if you could forward our thanks to all of those who helped raise such a staggering sum; especially David Hare, Paul & Gillian Bayram (landlord and landlady of The Barrow Haven Inn Pub) and all its regulars, who helped raised money through a sponsored Three Peaks Challenge. It is very kind of you to support our work at this time. Please accept this letter as your official receipt.

At Cancer Research UK we carry out world-class research to improve our understanding of cancer and find out how best to prevent, diagnose and treat different kinds of cancer. We ensure that our findings are used to improve the lives of all cancer patients. We also work in partnership with others to achieve the greatest impact in the global fight against the disease.

It would be wonderful if you were able to support us again, and please feel free to contact us on 08701 60 20 40 if you would like any further information about our work.

Thank you once again. Together we will beat cancer.

Dear Mr Mitchell

I am writing on behalf of Macmillan Cancer Support to thank you for your kind donation of £2009.30 raised at the Chatsworth Challenge in memory of Dave Owens and Frank Goodall. This will really make a difference to people affected by cancer.

Your valuable donation will enable us to provide further expert treatment, care and information for cancer patients, and help us to meet the enormous challenge of making our services available to all who need them. We helped over 200,000 new patients and their families last year. Now, with four in every ten people facing a cancer diagnosis at some stage in their lives and with long term survival rates improving thanks to better treatment and care, more people than ever before will be living with cancer.

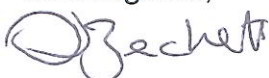

Our ambition is to reach and improve the lives of everyone living with cancer. Through the generosity of people such as yourselves, we will be able to achieve this; one in three of us will get cancer. 2 million of us are living with it. We are all affected by cancer. We can all help. We are Macmillan.

Ninety-nine percent of our income comes from voluntary donations, over a third of which is from gifts in wills, so you can see just how vital legacies are in supporting our work. A gift in your will could make a big difference to someone living with cancer in the future. To find out more or to receive a free copy of our will guide, please contact the legacy advisor Nancy Kirkham on 020 222 9030, or email her at [nkirkham@macmillan.org.uk](mailto:nkirkham@macmillan.org.uk).

If you would like to know more about the work of Macmillan, information about volunteering or details of fundraising, please do not hesitate to contact me at the fundraising office number above,

Thank you once again for your support; it really is appreciated.

Kind regards,

**Diane Beckett, Fundraising Support Assistant, 01924 232440**

Dear Gerard,

Thank you so much for supporting Marie Curie Cancer Care by organising the sponsored walk in the grounds of the Chatsworth Estate and raising a £2,109.30. I do hope that you had a good time in the process. Please take this letter as a receipt of your donation.

This year alone Marie Curie Cancer Care will provide care for more than 25,000 people with cancer, and our nurses will care for many people in their own homes in West Yorkshire. However the demand for our services increases each year and for every family we help, there is another that we can't. Every hour of a nurse's time costs the charity £20, so you can see just how valuable your support is in enabling us to help even more people with cancer and their families.

Once again, thank you so much for supporting Marie Curie Cancer Care.

Yours sincerely

Claire Priestwood

Dear Gerard,

Thank you so much for your letter of 13 October enclosing a cheque for £703.10 payable to the OPA and raised by a sponsored walk in memory of Dave Owens and Frank Goodall. I trust you will be able to express our grateful thanks to all who contributed.

The incidence of oesophageal cancer is steadily increasing in the western world and we are working to improve awareness of the problem, but as our costs continue to rise your help is much appreciated and important.

I am looking at our file of letters to you some seven years ago when you set up the memorial fund. It is so good to have your continued support over the years. Wonderful and thank you again.

Yours sincerely,

David Kirby  
Chairman OPA

Hello

As per my telephone conversation to you earlier confirming that I will be making the payments to the charities direct from the company account. The payments will be made as below.....

30% to Cancer Research	= £75.90
30% to Marie Curie	= £75.90
30% to Macmillan	= £75.90
10% to The Oesophageal Patients Association	= £25.30

I have had confirmation from the company, Unilever, that I can mark an alert on our system so that any future payments made for this donor can be paid direct from the account with the split to come from the yourselves.

I apologise for the time it has taken for you to get this matter resolved and appreciate your patience in this. Please do come back to me if you require any further help or information.

Sarah

Please find enclosed my original letter dated 28/09/2010, your response dated 03/08/2010 and my subsequent 2nd letter. If you take 10 minutes to read each letter in chronological order I will be disappointed in myself if you do not find the content self-explanatory but then again, everything is straight forward when you are in the know. I look forward to receiving your response tomorrow.
