Re: The Dave Owens & Frank Goodall Memorial Fund

Dear Friends

I am writing on behalf of Macmillan Cancer Support to thank you for your kind donation of £2888.53. This will really make a difference to people affected by cancer.

Your valuable donation will enable us to provide further expert treatment, care and information for cancer patients, and help us to meet the enormous challenge of making our services available to all who need them. We helped over 200,000 new patients and their families last year. Now, with four in every ten people facing a cancer diagnosis at some stage in their lives and with long term survival rates improving thanks to better treatment and care, more people than ever before will be living with cancer.

Our ambition is to reach and improve the lives of everyone living with cancer. Through the generosity of people such as yourselves, we will be able to achieve this; one in three of us will get cancer. 2 million of us are living with it. We are all affected by cancer. We can all help. We are Macmillan.

Ninety-nine percent of our income comes from voluntary donations, over a third of which is from gifts in wills, so you can see just how vital legacies are in supporting our work. A gift in your will could make a big difference to someone living with cancer in the future. To find out more or to receive a free copy of our will guide, please contact the legacy advisor Nancy Kirkham on 020 222 9030, or email her at [nkirkham@macmillan.org.uk](mailto:nkirkham@macmillan.org.uk).

If you would like to know more about the work of Macmillan, information about volunteering or details of fundraising, please do not hesitate to contact me at the fundraising office number above,

Thank you once again for your support; it really is appreciated.

Kind regards,

Dear Mr Mitchell,

I am writing to thank everyone at Dave Owens and Frank Goodall Memorial Fund for supporting Marie Curie Cancer Care's work with your recent donation of £3036.33 from your sponsored walk in the grounds of Chatsworth Estate. Please accept this letter as your official receipt.

Every evening 280 people throughout the UK will open their front door to a Marie Curie Nurse who has come to help them at the time that they need it most. Our care enables cancer patients to stay in the familiar surroundings of their own homes with their loved ones as their illness progresses.

This year alone Marie Curie Cancer Care will provide care for many people in West Yorkshire. However the demand for our services increases each year and for every family we help, there is another that we can't. Every hour of a nurse's time costs the charity £20, so you can see just how valuable your support is.

If you would like to know more about what we do in the meantime, please feel free to contact me on the number given above.

Thank you once again for supporting Marie Curie Cancer Care.

Yours sincerely

Please be advised that the payments as requested have been made from the company account today. The reason for the delay was that we were waiting for confirmation from the company for these to be paid.
