Good morning All,

Please find attached confirmation of the four payments I have recently made from the Dave Owens & Frank Goodall Memorial Fund into your various accounts.

I do not need the customary formal letter from your organisations as I would prefer a simple email from each of you acknowledging the donations from the aforementioned account.

Look after yourselves and I look forward to seeing you again in better times.

Kind regards,
Gerard

Dear Gerard,

A big thank you from Macmillan

Thank you so much for your kind donation of £330.00 to Macmillan Cancer Support from the Dave Owens & Frank Goodall Memorial Fund. Your support will allow us to help everyone with cancer live life as fully as they can, providing physical, financial and emotional support.

We couldn't do it without you

Your generosity means we can continue to work to improve the lives of people with cancer. No matter who they are, where they live, or what diagnosis they may have, we're here for people at the times they need us the most. We help with answers to questions about cancer treatment and its effects. We are there for emotional support when things get tough. Our goal is to give each person the support they need to take care of their health, protect personal relationships and deal with work and money worries.

Gift Aid makes your donation go further

If you're a UK taxpayer, your gift could be worth an extra 25p for every pound you donate. This is at no extra cost to you. All you need to do is complete the form online at macmillan.org.uk/giftaid, alternatively, you can call our Supporter Care Hub on: **0300 1000 200** (Mon-Fri 9am-5pm).

Thank you again for being part of the Macmillan team.

With best wishes,

Subject: Thank You from Marie Curie

Dear Gerard,

Thank you for your email yesterday and copy of the confirmation of the donation to Marie Curie from the Dave Owens & Frank Goodall Memorial Fund. I can confirm that we have safely received this, with much gratitude, into our Marie Curie account.

I'd just like to say again, from all of us here, thank you so much for your continued generous support for Marie Curie - it is incredibly kind of the Dave Owens & Frank Goodall Memorial Fund to have made this donation despite having to make the very difficult decision to cancel this year's event. I know that it must have felt really strange for you all not to have been able to go ahead as usual this year but I really hope that we are able to get together for a walk in September as planned and then no doubt 2021 will be here before we know it. I look forward to supporting you with next year's event in any way I can as and when planning begins.

As lockdown gradually eases, for many life feels like it is beginning to start up again. But for people with a terminal diagnosis, and families devastated by loss, there's no going back. Our nurses, hospices and Support Line have been here through it all, day and night, seven days a week, caring for people with and without coronavirus. We never stopped. Right now, more people need us than ever before. Your ongoing support is enabling our front-line staff to continue providing expert care and support for so many who need us. Thank you.

Please do keep in touch Gerard and I look forward to being in touch, and hopefully having the chance to meet in person again for a coffee, at some point in the future.

With best wishes to you and the whole family, and much gratitude again,

Liz
